loving & inspiring children's books

I AM...

debbi mazor - your author | creator | designer | inspirer!

I'm a cappuccino lover, stuntwoman for TV/film and puppy mama to Finnley the therapy dog! But it was the combination of my Master's degree in Spiritual Psychology, a career in graphic design, plus the need to heal my own childhood wounds of insecurity that led to the creation of these books.

My intention is to give children simple tools to grow in self-love, confidence and all the feel-good vibes — to help foster...

emotionally healthy & happy kids!

I am awesome!
